

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

GREGORIO ALCARAZ MALDONADO,

Plaintiff,

v.

E. E. EVANS, et al.,

Defendants.

Case No. [16-cv-01316-SI](#)

ORDER OF DISMISSAL

Re: Dkt. Nos. 2 and 10

This *pro se* civil action originally was filed in the United States District Court for the Eastern District of California. On March 17, 2016, the action was transferred to the Northern District of California. On March 17, 2016, the court notified plaintiff in writing that the action was deficient due to the failure to pay the filing fee or furnish a completed and signed court-approved *in forma pauperis* application. Docket No. 8. Specifically, plaintiff was informed that the *in forma pauperis* application that he had filed was deficient because he had not attached the required certificate of funds or a copy of his prisoner trust account statement showing transactions for the last six months. Plaintiff was notified that failure to pay the fee or file the complete application materials within twenty-eight days would result in dismissal of the action. Plaintiff did not pay the filing fee or file a completed *in forma pauperis* application, and the deadline by which to do so has passed. The new application (Docket No. 10) that he filed was incomplete; like the original application (Docket No. 2), the new application filed to include the required certificate of funds or a copy of his prisoner trust account statement showing transactions for the last six months. See 28 U.S.C. § 1915(b). For the foregoing reasons, the *in forma pauperis* applications are DENIED as incomplete. Docket Nos. 2 and 10. This action is DISMISSED without prejudice

1 for failure to pay the filing fee or submit a completed *in forma pauperis* application. The clerk
2 shall close the file.

3 **IT IS SO ORDERED.**
